

Things We Like

Here are some things we've found over the years that you might like..

[Bike Train Ontario](#)

The Bike Train is a new sustainable transportation and cycle tourism initiative introducing bike racks onboard select passenger rail trains to destinations in southern Ontario

[Rawlicious](#)

Rawlicious is Toronto's only raw food restaurant to never cook a thing! If you've wanted to try raw food, this is the place. Rawlicious Yorkville is now licensed, serving organic wine and beer!
